Spring 2011

Would you like to take a step back into the Olden Days? We just might have the opportunity for you! By popular demand we are bringing back the Millbury Sutton Summer Community Band. The group is open to anyone from the towns of Millbury and Sutton entering grades eight through adult. Last year we had over 50 students, siblings, parents, cousins, teachers, faculty, and community members participate for our 5<sup>th</sup> Year Anniversary Season.

We will rehearse one night a week, Tuesdays 6:00-8:30 P.M. in the Millbury High School Band Room and perform two concerts during the course of the summer. Rehearsals will begin June 14. Please see the calendar page for a full schedule on the Millbury Music Department Website.

At this time the concert dates are all posted for the season. There will be a one time participation fee of \$10 to help reduce our expenses. For those that qualify we will waive a fee so it is buy one get one free for immediate family members to encourage more people to join. If anyone knows of any business that would be willing to help us out please have them contact me. This summer is looking to be our best one yet. We have received grants from both the Millbury and Sutton Cultural Council, and have many special treats planned. The Instrument Petting Zoo will be back and hopefully bigger and better than last year. We will have several instruments for children to try out, a carnival atmosphere, and we will conclude the event with a mini-concert featuring music from Disney and superheroes. Also new to this year we are adding some Wind Ensemble literature and hope to be including a diversity aspect within performing the music of different cultures.

Dust off those old horns and come have some fun as we venture through our summer program challenging people of all levels. We hope that you will join us with the band, or attend the concerts to help support one of the many great things happening in our community!
