

Millbury Music Department
Spring 2018 High School Trip

Philadelphia, PA

It is that time of year, and we are aggressively planning our big trip for next Spring. I am excited to share that we will be traveling to Philadelphia in 2018. This trip will be open to any student enrolled in any of our performing ensembles next year grades 9-12.

To help with the planning process, we ask that you review the following materials and fill out the Google Form online, along with sending in a \$15 Spot Saver Fee. The fee will be deducted from your total balance due next year.

Our program is in a bit of an odd spot, as we most likely have too many people for 1 coach bus, but may not have enough students to make a second viable. That is why it is important to save your spot as soon as you can. If we can make 2 buses work we will! Typically we travel with 42 students, 1 admin, 1 nurse, couple teachers, and 4 parents.

The approximate cost per student will be in the range of \$850-\$950. As always we will provide many fundraising opportunities to lower that figure. One thing to keep in mind, is that the past few trips we have been lucky enough to receive grants to help reduce this cost. At this point, I do not see anything on the horizon for next year. If anyone has any grants they have access to because of their work/employer please feel free to share them with me.

More information will be out over the summer! The Google Form can be found on my website: www.millburyhsmusic.com
\$15 Cash/Check made out to Millbury High School

Thanks!

Dan Ferreira
